ADAGIO+®
led pool light
Personalize your pool

The **ADAGIO+** is a new universal concept of pool lighting based on LED lighting. LED's are extremely efficient and can save up to 88% on energy costs when compared to traditional incandescent light bulbs. Due the extremely long life time of LED lighting the maintenance cost is very low.

The ADAGIO+ can be installed in most standard 1,5" inlets, only 2 wire cable is used for WHITE and RGB lamps.

Ambient light influences human emotions. With colour LED lighting a various lighting moods can be set. Different moods create different emotions. With the remote control of ADAGIO+ it's very easy to select different moods.

A colour for every mood

You control the mood with a simple push on a button

ADAGIO+ lamps offer you 7 fixed colours scenes. With just one click on the remote, you can give your swimming pool a totally different look.

Deep Blue sea. The deep blue colour makes the water irresistible !

Daylight Blue. A bright-blue brilliance, as if a beautiful day never came to an end.

Sunset. The orange gleam of the setting sun gently rippling across the water

Love is in the air. Soft, red tints for an unforgettable tête-à-tête by the water.

Forest Spring. Garden and swimming pool unite as one with this fresh, green look.

Think pink. Would you like to try something daring ? With lilac and pink, all eyes will unquestionably be on your water show !

Sunshine. A warm yellow sun that shines whenever you want it to shine.

White nuances

ADAGIO+ lamps can give also three different kinds of white light (with the colour version).

With three nuances of white, ADAGIO+ creates a different atmosphere in and around the swimming pool.

Sun white. The stunning white of a hot southern summer day. Do you have your sunglasses at your fingertips ?

Neutral white. A nice, even and sober light embellishes your swimming pool in the garden.

Warm white. Some extra red in the colour composition creates an astonishing warm and soft white tint.

In for a party? Pick a mood

If you have a party, ADAGIO+ transforms your pool in a fascinating play of light and colour.

4 surprising modes are available

Jungle. Pure nature ! Beautiful safari colours slowly mixing together. Only the crocodile is missing...

Voodoo. A slow dance of somber shades creates a mystical atmosphere around the swimming pool.

Disco. Explosive water fun with these rhythmic, swirling and flashy colours.

 Party. Go wild in the "swinging swimming pool" !

With ADAGIO+ handy remote, making your choice is very easy. White colours can be selected directly with one click on the button.

Together with Philips, the industry leader in LED technology, this light has been developed to produce high light output: more than 3500 lm in colour and more than 8000 lm in white

For a personal touch, the ADAGIO+ can be provided with a wide range of decorative rings (special range for mosaic pools).
